All About Bank M&A

Please join the RMA Puget Sound Chapter, Northrim Bank and Turning Point for an exclusive conversation on M&A in the banking industry with Tom Hayes and Brent Beardall. Tom will kick off the presentation with some history of M&A in the banking, details on why it's so prevalent and his outlook for deal activity in the future. Brent will then cover M&A from an insider's perspective by providing information on how to best handle situations that arise from these transactions and how to ensure an acquisition is successful.
