Wednesday, June 29th | 11:30 AM - 1:30 PM | on Zoom

You're invited to join RMA Puget Sound and the team at Northwest Farm Credit Services for an update on several agricultural industries and a discussion on how crop insurance can be an effective tool in mitigating some of the risk inherent to agriculture.

We will be joined by their industry analyst **Damien Singh** and **Aber Roberts** for an update on Berries, Dairy, Forest Products, Wine and Vineyards. Later, **Zack Wolf** and **Adam VandeBrake** will discuss crop insurance in general and how it can be used to mitigate risk in Ag lending operations. We will also hear from SVP **Michael Smith** with a 5 C's credit perspective on AG lending and the impact of tools like current industry information and crop insurance.

This event can count towards a Continuing Education Credit for credit risk certified members.
